**Public Utility District (PUD) Call Volume:** Darlene Mainwaring reported as part of the agreement with PUD, KITTCOM receives the after-hours calls from the PUD customers. On November 23, 2017 (Thanksgiving) PUD had a wide spread outage in the Cle Elum area. This outage generated 139 phone calls answered by KITTCOM on the dedicated PUD phone line and 88 CAD calls were created. The impact of the higher than normal call volume was managed by staff while also handling the 911 phone calls, fire and law radios and business phone lines during the outage which was approximately 8 hours in duration. Staff is looking at technology to assist with managing this large of an incident and will be reaching out to PUD to work on a solution.

**Director's Report:** Darlene Mainwaring reported the following: 1. Staffing levels continue to be the same, 8 positions filled with 2 in training, and 4 unfilled positions. We may have a potential new hire to start in January 2018; 2. The Union Contract is completed except for the language for the distribution of the mandatory overtime, the Union plans to have it completed before the January 2018 KITTCOM Board meeting; 3. The State 9-1-1 budget will be in a deficit and the Kittitas County funding for the CBD (Coordinator Professional Development) will be decreased by 50%, which is approximately \$20k; and 4. There have been challenges with the SPFR merger as we all adjust to the needs of the agency/area and how KITTCOM operates/manages fire radio and responders. Staff has been reviewing and studying issues as they arise and developing solutions.

Meeting adjourned at 2:14 pm.
